Field of Activity – Product Group:

Freya Lace is one of the leading names in the production of high-quality lace. They specialize in both wholesale and retail sales, offering tailored solutions to meet diverse needs. By combining modern technology with elegant designs, Freya Lace provides the textile industry with aesthetic and durable products. Their collection features a wide variety of patterns and colors, always prioritizing customer satisfaction. Freya Lace delivers ideal products for fashion designers, textile companies, and individual customers, turning creative visions into reality. With their expert team and high production capacity, they ensure the reliable and prompt delivery of premium laces. Freya Lace's approach blends traditional craftsmanship with modern innovation, setting them apart in the industry.

Bridal lace falls under the category of special textile materials. It can be classified as fabric or accessory.

Elegant and sophisticated designs featuring floral, leaf, or geometric patterns.

Lightweight and soft texture ensures comfortable wear.

Easy to process, suitable for cutting and sewing.

Available in various types such as French lace, guipure, and Chantilly.

Compatible with any design, offering transparent, white, cream, and ivory color options.

Field of Activity – Product Group:

Hazar Haute Couture is a luxury bridal and evening wear boutique based in Dubai, renowned for its exquisite craftsmanship and unparalleled quality. Established in 1980, Hazar's atelier has been creating unique, one-of-a-kind bridal masterpieces using the finest fabrics sourced from France, Italy, and Switzerland. Each gown is adorned with exclusive Swarovski Crystal elements, adding a touch of brilliance. Their designs have gained popularity among the region's elite clientele, including GCC royal families. Hazar's creations have also gained international recognition, featured on Say Yes to the Dress Arabia and set to be showcased at Milan Fashion Show 2025 with the Frozen Symphony collection. With a vast selection of styles, from vintage and bohemian to glamorous and avant-garde, every bride finds her perfect gown. Their collections feature exquisite lace, handcrafted embroideries, sleek crepe, and structured satin styles, ensuring a flawless fit for every body type. At Hazar Haute Couture, luxury meets individuality, creating bridal dreams that last a lifetime.

Field of Activity – Product Group:

Growing up in Baku, she discovered her passion for fashion at a young age, inspired by custom-made dresses from designer Yeghana Khanum. With support from her mother, she studied at Simurg Academy, where she took her first steps into the fashion world.

Her debut collection blended historical elegance with modern style, reflecting her love for fashion history. Today, she designs for Yes Couture and leads her own brand, Kamilla by Yes Couture, combining tradition with contemporary creativity. Each dress she creates is a combination of traditions inspired by history and modern ideas.
